SPORTING NOTES

Helmie Grob of the Reds is the best third baseman in the National League.

Roger Bresnahan's Toledo club is making money. His team is playing good ball.

The Browns will let out half a dozen former Reds in the fall when their iron-clad contracts expire.

Connie Mick bought a minor league second baseman of the other day. Has he grown tired of college ball?

Organized baseball is employing 2,500 players less than the number in harness before the Federal League started.

The suggestion that the Washingtons should be transferred to Brooklyn has caused widespread comment in baseball circles.

Second baseman Nickoff of the Phillies is on the verge of being shipped to St. Louis. The former Boston Brave in his place.

Kenneth of the Braves has slumped in batting just as the slump predicted. Stallings would use Dutch Schmidt just now.

Uncle Robbie, the Brooklyn manager, charged St. Louis with unfair tactics. He says that the Brooklynians will not resort to "dirty ball" to win the pennant.

McGraw made a wise move when he signed Mike Doohan to fill Fletcher's place in the camp of the accident. Doohan is fielding as well as when he played short field for the Phillies.

RIVERVIEW CLUB WINS AGAIN

Ashland Team of Jewett City Unable to Find Enot Safe—
Houlihan Played Star Game—Score 5 to 2.

The big crowd at the State Hospital was treated to another exciting game Saturday afternoon when the Riverview club trimmed the Jewett City team by the score of 5 to 2. The pitching of Enot was the feature of the afternoon. He fanned 18 men and was at his best in the pinches and deserved a shout-out. Especially in the eighth he showed his ability, when with the bases filled and no one out he fanned two and made an easy out to an infield, leaving the three men marooned.

Jewett City came down strong and had a big crowd of followers who rooted hard but to no avail. Brickley pitched a good, clean game, fanning 18 and allowed no bases on balls. Houlihan played a fine game in center, making several running catches, robbing the opposing boys of extra base hits. Oakes robbed Finney of a nice hit when he ran over second and made a bare-hand stop of his smash and then recovered in time to throw Finney out at first.

For the home team the hitting of Austin and Vincent was hard and timely. Next Saturday the Hospital will play the Athletics of South Manchester, who are the best team in the Middle Atlantic League, and are reputed to be one of the fastest semi-professional teams in the state.

COMING LIGHTWEIGHT.
Joe Welling is Liable to Be a Prominent Factor in the Ring.

There is another lightweight who is fast coming to the front and is likely to become a prominent factor in the situation before long. The newcomer is Joe Welling of Chicago, who made his first appearance in over a year at the Broadway Sporting club, Saturday night. Welling, the measure of Harry Pierce and showed great improvement over the form he displayed at a Harlem club last year in his only other local appearance.

On that occasion Welling weighed over 140 pounds and appeared to be another too heavy for the light weight class, but last Saturday he weighed only 134. Welling has a remarkable light for his weight. He is well developed in the chest and shoulders. He gets his height from his long legs, which are as thin as stilts.

Welling is a fairly good boxer, and what is more to the point, he knows

how to hit. He snaps his blows, moving his feet but a few inches. Twice he sent the rugged Pierce down for long counts with short, snappy jolts that shot over like a flash. Welling should have won the bout in the second round, but lack of experience prevented him from putting on the finishing touches.

With great height, long reach and hitting ability far above the average, Welling is a dangerous man for any of the contenders and there is likely to be some lively sidestepping among those who have established reputations.

Shannon Twins Jump.
The Shannon twins, Joseph and Maurice, packed their grips and jumped to the Boston team of the New York team Thursday, but later sent a telegram in the form of an alibi saying they had been shot over like a flash. Welling should have won the bout in the second round, but lack of experience prevented him from putting on the finishing touches.

Stone Defeats Clew Edwards.
Sydney N. S. W. July 30.—Harry Stone, professional pugilist of New York, defeated Clew Edwards on points in a twenty round contest at the Stadium here today.

Zimmerman has strengthened the Cubs at the keystone. Rollie Zeider is delivering the goods at third base.

FINANCIAL AND COMMERCIAL

SATURDAY'S MARKET.
Dealties Were Small Even for a Mid-summer Saturday Session.

New York, July 29.—For all practical purposes today's session of the stock market may well have been a dead one. Dealties were almost irreducible minimum even for a mid-summer week end, the total barely approximating 100,000 shares. Of this amount, the usual leaders in the United States Steel, Mercantile Marine and a few equipments and industrials made up over 50 per cent.

Many standard stocks were not recorded at all and gains of 1 to 3 points in houses of the character of New York Air Brake, American Car and more minor specialties were without the slightest pretence of dividend rate. In point of activity and importance, international bond issues comprised the real feature of the day. Anglo-French bond changed hands to the extent of almost \$1,000,000, mostly at 95 1/4, a small concession, and the major French notes were traded in to a total of almost \$500,000, all at 98, the subscription price at which this issue was originally offered.

General news included several June statements of railroad earnings, Canadian Pacific showing an increase of 10 per cent, more than 12 per cent, and Norfolk and Western \$400,000. Dealties in foreign exchange were in keeping with the dull stock market, sterling and franc being unaltered, with some improvement in marks and rubles.

Local bank conditions were strengthened by a further small cash gain and reserves, but the clearing house statement lacked special features.

Total sales of bonds, par value, aggregated \$2,450,000.

United States, Bonds and Panama two advanced 1/4, Panama three 1/2 and United States two declined 1/4 per cent, on call during the week.
